

DAILY PRAYER

THE BIBLE EVERYDAY

Thank You, God, that this is Your day!

I'm so glad and thankful that You've created it for me. I rejoice in You God! I want to put on the full armor of God today so that I can stand strong and firm in You. I put on the helmet of salvation, the breastplate of righteousness, the belt of truth, the gospel of peace, the sword of the Holy Spirit, and the shield of faith. Thank You that I have all authority over the power of my enemy, Satan, and nothing can harm me.

I am firm in my salvation and I stand with the robe of righteousness that You have put on me because of what Jesus did on the cross. I will stand in truth and not lie. I will be a person of integrity today. I'll share with others the gospel of peace, and I thank You for YOUR peace that transcends all my understanding. Thank You that Your peace guards my heart and my mind in Christ Jesus. I put on the Holy Spirit today. I receive everything that the Holy Spirit has for me, wisdom and understanding, peace and comfort. Thank You, Holy Spirit, that You are my helper and You reveal all truth to me. I also cover myself with the shield of faith. I stand firm in my belief that whatever I ask in prayer, believing, I will receive it.

In Jesus' name I renounce any authority that I've handed over to Satan.

In the name of Jesus, I renounce control, manipulation, and rejection. I renounce fear, greed, stinginess and not having a generous spirit. I renounce bitterness. I renounce unforgiveness and holding a grudge against anyone. Reveal those people to me right now, Holy Spirit.

I renounce legalism and pride, self-pity and worthlessness. I renounce a judgmental spirit. I renounce arguing and complaining. I renounce not renewing my mind, not confessing my sins, and not obeying the word of God and the Holy Spirit. I renounce unbelief. I renounce too much emphasis and focus on my self. I renounce anger and hatred. I renounce not breaking the power of bad habits and incorrect thoughts. Please bring to mind anything that I need to confess right now, Holy Spirit. I wait quietly for Your presence and Your wisdom.

I renounce and take back any words that I've spoken, and Satan's empty promises that influence my life. I renounce and confess, in Jesus' name, any evil influence and any spirit behind the sins that I have confessed. In Jesus' name, I break the power of the enemy that has kept me in bondage.

I command You to leave me in Jesus' name, go to the foot of the cross and the authority of Jesus. I command You to never come back into my life again. I take back any and all authority I gave to You at one time. You no longer have authority over me, in Jesus' name.

I receive Jesus' death and resurrection. I receive Jesus' blood and body, and the work that You did on the cross for me, as I die to self and live for God. I receive the filling of Jesus in me, and the mind of Christ. I receive Jesus' eyes, ears, skin, back, hips, knees, cartilage, tendons, blood, no wrinkles, new growth, new life, new skin, no allergies, and I receive Jesus' thoughts and intercession.

I receive the Holy Spirit's blessing. I receive the filling of the Holy Spirit to fill me to overflowing in every part of my mind, soul, spirit, and body. Replace any emptiness caused by Satan's influence. Thank You for Your blessing. I receive Your blessing today. Fill me with the fruits of the Holy Spirit right now. I receive love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control.

Thank You, God, that You guard my heart and my mind as I am thankful. I thank You God for all Your blessings. Enlarge my borders and the influence that I have around me today. I will not give any ground over to the enemy today. I stand in faith. Allow me God to have a Godly influence in every relationship. I believe in Your promises, because they are yes and amen every single time.

Surround me with Your favor as a shield, God. Today, I will live victorious as I trust in the Holy Spirit to bring freedom, comfort, and complete wisdom and understanding.

I ask God for Your unfailing love and Your tender mercies to pursue me today. Thank You that Your faithfulness is new every morning. I praise You for Your mighty acts and Your orchestrating every part of my life for Your good.

I worship You Father God, and thank You that You know everything about me, You know when I sit down and when I rise up; You are familiar with everything about me. You know the number of hairs on my head, I was made in Your image and You knew me before I was conceived. You chose me when You planned creation, and I'm not a mistake. Every one of my days are written in Your book. Thank You that I am fearfully and wonderfully made. I praise You that You are not distant and angry, but instead are the complete expression of love. I thank You that You lavish Your love on me. I worship You because You offer me much more than my earthly father ever could. You are the perfect father, and every good and perfect gift comes from Your hand.

I worship You because You provide for every one of my needs. You have plans for my future and it's filled with hope! You love me with Your everlasting love and Your thoughts toward me are amazing. I worship You and praise You that You rejoice over me with singing, and You never stop doing good for me. I am Your treasured possession. You desire a relationship with me, and You guard my heart and my soul. You show me wonderful things as I seek You with all my heart. Thank You that I find You when I search for You. I will delight in You and You give me the desires of Your heart.

You are more than able to do greater things than I could ever imagine. When I'm brokenhearted, You comfort me and are close to me. You carry me close to Your heart.

You are my father and You love me just as You love Your son, Jesus. Jesus came to demonstrate that You are for me and not against me. Jesus died so that I could be reconciled to You. You gave up everything You love, so that I might gain Your love; and I receive the gift of Your son, Jesus. I worship You and praise You that nothing will ever separate me from Your love.

I will live today in victory and righteousness. Anoint me with Your presence. I never want to live a day without Your anointing. I love You God!
